OBSEQUIUM 2024

Dear Students, parents and faculty members,

We are excited to announce that our Annual Sports Meet 2024 will take place from 10-12-2024 to 23-12-2024. This event is named as **OBSEQUIUM**, it refers to **compliance, deference, or respectful submission** to something, often out of duty, loyalty, or reverence. This event is a celebration of sportsmanship, teamwork, and talent, where students have to follow many rules and regulation to win the match. Through this name we are trying to inform the students that if they want to win the race, that is "life", they have to follow many rules and regulation and should be obedient, respectful and humble in their life.
